#### **SATURDAY NIGHTS** between programs

ICE FLOE documents New York City dancer Jody Sperling's 43-day mission to the Chukchi Sea as the first-ever choreographer-in-residence with the US Coast Guard. The resulting award-winning movie of her ice dancing is thrilling and beautiful.

SUNDAYS @ 7 pm starting 9/6

MASTERPIECE: AURTHUR AND GEORGE stars Martin Clunes ("Doc Martin") as author Sir Arthur Conan Doyle in this three-part adaptation of Julian Barnes' acclaimed novel, which follows the separate but intersecting lives of two men.

**SATUDAY 9/19 @ 2 pm** 

**A CRAFTSMAN'S LEGACY** will open up a world for you that was always there...a world where people forsake money over pride in their work. Join host Eric Gorges to discover the personal stories behind crafts men and women across the US.

**INDIE ALASKA** videos are posted Thursdays at alaskapublic.org and aired Saturdays on Alaska Public Television. Join us for fun, quirky, and inspiring videos such as "The Hives and Lows of Beekeeping" (pictured above).

THURSDAYS @ 7 pm starting 9/10

**THE GREAT BRITISH BAKING SHOW** begins with 13 amateur bakers — from space engineer to student, teacher to dentist. Only one can emerge victorious. See who is banished and who stays after 10 weeks of whisking, crimping and piping challenges.

**SUNDAY 9/27 @ 2 pm** 

**STEVEN RAICHLEN'S PROJECT SMOKE** claims that smoking is the new grilling. Learn new twists on iconic foods such as salmon and Carolina pulled pork and how to create dishes you never dreamed of. Smoked cheesecake, anyone?
